Hunter St Happenings

Your P&C at Work

Fundraising Levy Review

You will remember that in last month's Hunter St Happenings we advertised that the Fundraising Levy would be reviewed at the P&C meeting on 2nd September.

Every attendee at the September meeting is already involved with the running of the school and/or the P&C. In the absence of anyone prepared to volunteer their time to coordinate or help with extra fundraising events, we voted unanimously to keep the levy and run two major P&C fundraisers per year. One of these fundraisers is the annual fete, the other will be discussed at the November meeting. We invite anyone with ideas for this major fundraiser to submit them in person at the November meeting. Suggestions so far are: family movie night, fruit and veg boxes and a P&C organised fun run.

P&C Social Night Success

The Social Night was enjoyed by all who attended. We would love to have at least two large tables next time rather than one, so stay tuned for your next invitation. Please feel free to bring a friend or three!

Canteen Supervisor Appointed

We were very pleased by the number and the calibre of applications for the canteen supervisor position.

We are happy to announce the appointment of Vicki Eather. Vicki has a child at our school, and has lots of energy and ideas to bring to the canteen.

We know you will make Vicki very welcome!

Soap Dispensers

We were hoping to report on the soap dispenser trial, but the new dispensers have only been delivered within the last week. The trial results will be discussed at the November meeting.

School Crossing Update

Rebecca Williams (pres) and Sarah Johnstone (vice-pres) once again attended a Singleton Council meeting, this time to address council on a recommendation from the Traffic Committee to make improvements to our school crossing. The recommendation was passed, and work should begin soon.

Please be aware that we have submitted to council our concerns for our children's safety in the streets surrounding the school. Please demonstrate your concern by using these streets safely (ie following the speed limit, observing the school crossings and not using mobile phones while driving).

School Community BBQ—8th Nov

Following the success of the last school BBQ (John Black's farewell), we will be holding another one on the 8th Nov. This will be just in time to welcome Kindy families for 2010, and a great opportunity for our 6th class families to get together before moving on, so again stay tuned for your family invitation.

Meetings Finishing on Time

Our last few meetings have finished within 10 minutes of 9 o'clock, and Tim Tams and assorted lollies have made regular appearances (and disappearances)....
